The Licensee acknowledges and agrees that the Licensor and its Representatives may collect, maintain, process and use diagnostic, technical, usage and related information, including information about the Licensee's computers, systems and software that the Licensor may gather periodically to improve the performance of the Software or develop maintenance releases. At all times the Licensee's information will be treated in accordance with the Licensor's privacy policy, as amended from time to time, which can be viewed at:
